

2014 ANNUAL REPORT

About Us

Mission

Pitch In For Baseball® (PIFB) is a registered 501(c)(3) not for profit organization that provides new and gently used baseball and softball equipment to boys and girls in the United States and around the world who want to play ball but lack the equipment to do so. PIFB helps to reduce barriers to play by providing equipment grants directly to leagues, schools, and organizations around the world to start, continue, and/or expand their youth baseball programs.

Core Programs

- Domestic and International Equipment Grants – PIFB equipment grants are designed to help leagues, teams, and community organizations around the globe get the equipment needed to play baseball or softball. Grantees complete required annual reporting detailing the impact of our donation. PIFB averages about 200 projects each year.
- School Based Program – PIFB's school based program helps schools and districts to stretch limited budgets. We partner with districts to help continue or expand their baseball and/or softball programs. PIFB has been working with the School District of Philadelphia since 2008. The project has grown from just 6 teams to 60+. In 2014, PIFB donated \$100,000 worth of equipment to 63 baseball/softball programs in 41 different schools, helping more than 1,000 Philadelphia students get on the field. Our 2014 impact demonstrates that 60% of participants had better school attendance and 65% improved their grades. PIFB is replicating this model in Minneapolis/St. Paul school districts in Minnesota.
- Disaster Relief Program – In times of tragedy, children are the most affected. Baseball can help to restore a sense of normalcy amidst the chaos. PIFB has helped to rebuild entire leagues and thousands of kids to start their seasons on time. PIFB has assisted with relief efforts in NY/NJ shoreline following Hurricane Sandy; Joplin, MO; the Gulf Coast region; and Japan.
- Kids Helping Kids: Youth Philanthropy – About 90% of the equipment PIFB has available for equipment grants comes from the efforts of motivated, caring kids who run collections and fundraisers on PIFB's behalf.

Dear friends:

Traction. It's a common word in today's business world, referring to when things really start to move ahead. That's how things feel at Pitch In For Baseball. The hard work of our staff, volunteers, Board of Directors, and strategic partners is propelling us forward in a way we haven't experienced before.

We see more clearly the impact we are having. The evidence keeps piling up day by day. Here are some 2014 highlights:

- Program Totals:
 - ⇒ 204 projects completed
 - ⇒ 32,000+ kids served
 - ⇒ 27 states
 - ⇒ 62 countries
- Helped more than 1,200 Philadelphia students in 40+ schools get on the field.
 - ⇒ 65% of kids improved their grades
 - ⇒ 59% improved their attendance
- Our ongoing donations to the Coahoma County Youth Baseball in Clarksdale, MS have helped them to grow from 35 players in 2010 to 250+ today.

Now there is an even greater shift coming. Major League Baseball has been a PIFB partner since 2010. In partnership with MLB's Reviving Baseball in Inner Cities (RBI), we have helped thousands of boys and girls in urban neighborhoods play ball. New MLB Commissioner, Rob Manfred, is taking a long term view of how to increase participation in baseball/softball and PIFB is an integral part of those plans.

We are also continuing to put important programs in place with other strategic partners including Little League International, Wilson Sporting Goods, and USA Baseball. It's an exciting time to be part of the organization. Traction is a wonderful feeling.

We are grateful to you—our partners, donors, friends, and advocates. It is because of your support that we are able to continue to spread the joy of baseball to tens of thousands of kids around the globe each year.

Sincerely,

David E. Rhode
Founder & Executive Director

Yaniv, 16 years old (left), discovered baseball four years ago. Joining initially just to try something new, Yaniv has excelled, playing for his local team but also travelling with the Israel National team. Baseball has allowed Yaniv to travel, given him a sense of community, and kept him out of trouble. He is grateful to baseball for giving him opportunity.

Israel Youth Baseball has been a PIFB partner since 2006.

Victor, 8 from Chicago, witnessed the murder of his 16 year old brother in early 2014. Raised by a single mother who could not afford cleats, gloves, or a bat, PIFB made it possible for Victor to join the team. Baseball has become his escape from reality, a chance to be a kid and play with friends on the field and forget about the pain. It has also given his mother peace of mind to know that Victor is in good hands, surrounded by people who care about him.
